Projects

Chatbot	Feb. 2025 - Apr. 2025

Personal, Online
This group project web app lets users register, log in, and chat with a Generative AI-powered bot, providing a seamless and engaging conversation experience.

Multiplayer Pong Game	Jun. 2024 - Nov. 2024

1337 Coding School, Tetouan
Contributed to a group project by designing and developing a web application where users can register/login to play Ping Pong and chat with other users in real time. Integrated an AI module to enable users to play against the computer.

Dockerized Web Application	Apr. 2024 - Jun. 2024

1337 Coding School, Tetouan
Developed a containerized application using Docker and Docker Compose, integrating a WordPress site with PHP-FPM, Nginx, and MariaDB to ensure scalable and efficient deployment.

Web Server	Jan. 2024 - Apr. 2024

1337 Coding School, Tetouan
Contributed to a group project to build a simple HTTP/1.1 web server in C++, handling requests, responses, and basic CGI execution, demonstrating networking and protocol implementation.

Work experience

Full Stack Developer Intern	Jun. 2025 - Dec. 2025

Association Saada For Development, Khouribga
Designed, architected, and developed a full-stack school ERP system using NestJS, Next.js, and PostgreSQL, implementing secure authentication and production deployment, with modules for formations, events, projects, library, collaborators, and visitors.

Certificates

EF SET English Certificate	Nov. 2024

EF Set, Online
Advanced English proficiency in reading and listening.

Diploma in French Language Studies (DELF B2)	Jan. 2021

Institut Français du Maroc, El Jadida
Certified intermediate French proficiency across listening, reading, writing, and speaking.

Education

IT Architect Student	Since Sept. 2022

1337 Coding School, Tetouan
Specialized training in software development and computer programming with a focus on project-based learning and peer-to-peer education.

Baccalaureate in Mathematical Sciences A	July 2021

Groupe Scolaire Ilyass, El Jadida
Specialized high school diploma with an emphasis on advanced mathematics, physics, and analytical problem-solving.
